CAD a month, Solo plan	Free trial on every plan	Off with annual billing	Pooled monthly minutes on Solo

One price, pooled minutes

Each plan covers a bundle of users and one minute pool everyone shares; quiet lines don't strand minutes the busy ones need.

Fewer calls go unanswered

Ring a whole team at once, hold callers in a queue, and send after-hours calls to a menu, mailbox or mobile number.

Run it yourself

Add a user, change a greeting or close early from the portal. No technician visit, no hardware beyond phones you choose.
