AT A GLANCE

SIP TRUNKING

ReliaTrunk SIP Trunking

Keep the phone system. Change the line.

SIP trunks for the PBX you already run. Pay per minute from a prepaid wallet, or buy channels with Canadian and US calling included, fair use applies. Numbers and 911 addresses are yours to manage.

$4.95	$27.99	1	3,000
CAD monthly trunk connection	CAD per committed channel monthly	Local number included per channel	Monthly fair-use minutes per committed channel

No forklift upgrade

Your PBX, handsets and extensions stay exactly as they are. Only the carrier behind them changes.

Pay the way you call

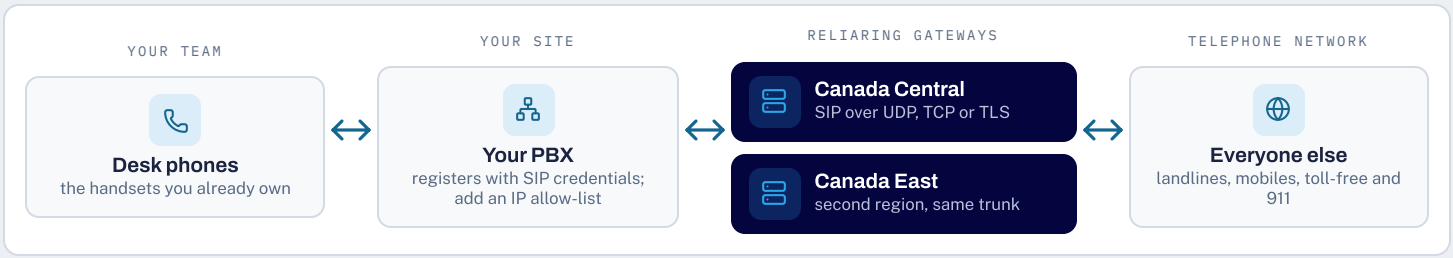
Low or seasonal volume suits prepaid per-minute billing. A busy office can buy channels with Canadian and US calling included, fair use applies.

Every site, its own identity

Your PBX can present any number on your account, and each number carries its own 911 address.

HOW IT WORKS

Your phone system, our line to the world



PLANS · PER TRUNK OR PER CHANNEL / MONTH

Published prices, month to month

Pay-As-You-Go

$4.95 CAD/trunk/mo

No per-channel fee

Committed Channels

$27.99 CAD/channel/mo

One concurrent call per channel

Fair use: 3,000 minutes of Canadian and US outbound calling per channel each month, pooled across the trunk, then 1.9¢ CAD / 1.4¢ USD a minute. Toll-free, international, premium-rate and high-cost destinations are always billed.

Keep the phone system you own, and change the line behind it.
